

Never Change a Battery!

A Decade of Protection from Smoke, Fire & CO

Powered by sealed-in, 10-year lithium batteries, Kidde's new line of Smoke and Carbon Monoxide (CO) Alarms use only one battery for the life of the alarm to provide 24/7 fire safety protection — *eliminating the hassles of low battery chirps and battery replacement.*

Worry-Free

Ten Year Sealed Battery
Smoke & Carbon Monoxide Alarms

- **SEALED LITHIUM BATTERY**
No stolen batteries or worry of non-functioning alarm
- **MAINTENANCE-FREE**
Sealed lithium battery — never needs to be replaced
- **TAMPER RESISTANT**
Ensures uninterrupted performance and reduces liability
- **CONTINUOUS PERFORMANCE**
Alarm cannot be disabled
- **PRODUCT LIFELONG WARRANTY**
Smoke & CO alarms last 10 years!

Save Battery Costs! Less Callbacks!
Save Labor Costs to Replace Batteries!
