

Energizer® Intrinsically Safe® Handheld (2AA)

Approved by global safety agencies, the Energizer® Intrinsically Safe Handheld 2AA is ideal for work in harsh conditions. Designed specifically for the needs of Industrial trades, this high-performance light has certifications that make it safe to use in environments with water, gas and dust and survives drop after drop. A built-in loop makes it easy to be tied for security, while the orange safety color provides instant recognition. LED technology delivers steady, bright illumination along with long lasting runtime.

Design Benefits

- ✓ Shatterproof lens
- ✓ Ribbed casing for a secure grip
- ✓ Built for safe use in environments with water, gas and dust (IP67)

Performance Benefits

- ✓ Global certifications for industrial use
- ✓ High performance

Light and Power Source

- ✓ Features LED Technology
- ✓ Operates on 2 AA Batteries
