

## Product datasheet

### Characteristics

# NSYDPLM350

set of 4 step slides with brackets for adjustment of m.plate in PLM 108

### Main

|                                    |   |
|------------------------------------|---|
| Accessory / separate part category | Mounting accessory                                      |
| Product or component type          | Step slide  |
| Range compatibility                | Thalassa PLM  |
| Device application                 | Multi-purpose   |
| Enclosure nominal dimensions       |   |
| Mounting location                  | Sides of enclosure                                      |
| Device composition                 | Fixing elements<br>4 sliding rails<br>4 sliding support |
| Quantity per set                   | Set of 1  |
| Material                           | Galvanised steel  |

### Complementary

|             |  |
|-------------|--|
| Fixing mode | By fixing element - enclosure boss location                            |
| Adjustment  | In depth of the plate or other accessories in steps of 12.5 mm         |
| Depth       | Maximum depth adjustment : 306 mm<br>Minimum depth adjustment : 106 mm |

### Environment

#### Offer Sustainability

|                                  |   |
|----------------------------------|---|
| Sustainable offer status         | Green Premium product   |
| RoHS (date code: YYWW)           | Compliant - since 0940 - Schneider Electric declaration of conformity |
| REACH                            | Reference not containing SVHC above the threshold                     |
| Product environmental profile    | Available   |
| Product end of life instructions | Need no specific recycling operations                                 |
