Notes

- ¹ These units do not include lamps. Order LED separately to match lens color. See **Page V7-T1-239** for LED Selection and **Page V7-T1-185** for Catalog Numbering System.
- ² Resistor units are not available for use with LEDs, choose either transformer or full voltage LED style.
- ³ For flashing lamp, add letter **F** to listed catalog number. Example: 10250T181NF.
- ⁴ Resistant to shock and vibration. For best illumination use amber, yellow or clear lens.
