

Horizon

Shown: Horizon 255230 with H033090 top light kit, and 1453 (inset)

Nova

Shown: Nova 888519385

Horizon features the quiet elegance of beveled-edge design. A wide selection of tri-view and single-door models with optional matching light bars make this classic model a good fit for any size room or décor.

Nova puts an oversized center cabinet in place to hold items everyone uses. And on either side, "his and hers" cabinets let you organize personal items. Integral lighting illuminates the entire room.
