Cable/Lineman’s Skinning Knife – Hook Blade, Notch & Ring

- No contact between stainless steel ring and hardened steel blade.
- Three-inch steel blade withstands frequent scoring and sitting of cable jacket.
- Blade and ring are securely molded in handle.
- Notch on blade back for scraping or removing wire insulation.
- Comfortable textured handle with finger grooves and guard.
- Rectangle-shaped handle design for attachment to some utility hot stick equipment.
- Leather sheath available, Cat. No. 5163.
