OVERVIEW

Milwaukee 6 in 1 Combination Pliers feature a revolutionary, forged dual head design for wire stripping and needle nose functionality. A unique reaming design is integrated into the pliers head for smoothing out rough edges of metal pipe, and a curved blade design allows for clean cuts through larger wire sizes. These pliers have the capability to cut #6 and #8 bolts and feature a swing-lock design for

fast one-handed operation, and won't open when stored in a pouch or backpack. Milwaukee 6 in 1 Combination Pliers deliver maximum productivity for the trades. The Milwaukee 48-22-3079 is perfect for the toughest of jobsites. Milwaukee stands behind their product and offers a Limited Lifetime Warranty with all combination pliers. The Milwaukee 48-22-3079 includes (1) 48-22-3079 Combination Plier.
