

M28™ 3-Bay Universal Charger

48-59-0280

What's Included

(1) M28™ 3-Bay Universal Charger (48-59-0280)

Features

- Single-unit simplicity: Milwaukee M28™ Lithium-ion, V18 Lithium-Ion and NiCd batteries
- Durable construction: Withstands tough jobsite conditions
- 9-ft. Pass-through plug: Conserves valuable outlet space
- High-visibility LED light: Displays charge status from across the room

Overview

Depend on unlimited jobsite power with the 3-bay universal charger. The M28™ 3-Bay Universal Charger gives you constant jobsite power with fast charging in 3 bays. It powers up V18/28V lithium-ion batteries in an hour, and quickly charges slide-on 12V-18V NiCd batteries in 45 minutes. Designed to withstand tough jobsite

conditions, its durable construction includes an impact resistant base, a protective side handle and charger terminal dust cover. The convenient, built-in cord wrap also acts as a shock absorber. The high-visibility LED light displays the charge status from across the room, so you can monitor your cordless tool power source without interrupting your work.
