

LEATHER UTILITY PLUS

#1 IN DURABILITY

The arc rated **Leather Utility Plus** features durable and dexterous goatskin sewn into a form-fit performance glove pattern, for great comfort and grip. A second layer of leather is sewn on top of the fingers, saddle, palm and knuckle for increased durability and protection.

The result is increased efficiency, productivity and safety for workers, while in compliance with the **NFPA 70e - 2015** standard and **OSHA 29 CFR Part 1926**.
