The art of convenience. NuTone makes your life easier. Our portable chimes can go with you, so visitors won't be missed! Contemporary designs include a wireless pushbutton

- Contemporary, compact design
- Select from 8 note Westminster or two different 2-note sounds
- Expandable up to 3 doors total with purchase of two additional wireless pushbuttons
- Receiver mounts to wall or can be placed on table; mounting hardware included
- White rectangular shaped wireless pushbutton included that uses one 3-volt CR2032 battery (also included)
- Active transmitter pushbutton and receiver chime "learn" process prevents interference from other wireless products
- Battery operated. Receiver powered by three "AA" batteries (not included) for easy maintenance and your convenience
- Wireless range can vary from 20 to 125 feet depending on your home's construction. Wood and vinyl siding are ideal, metal or masonry decreases the range
- One year limited warranty
