## DESCRIPTION

Ugly's Electrical References, 2014 Edition is designed to be used as an on-the-job reference. Used worldwide by electricians, engineers, contractors, designers, maintenance workers, instructors, and the military; Ugly's contains the most commonly required electrical information in an easy-to-read and easy-to-access format.

Ugly's presents a succinct portrait of the most pertinent information all electricians need at their fingertips, including: mathematical formulas, National Electrical Code tables, wiring configurations, conduit bending, voltage drops, and life-saving first aid procedures.

## ABOUT THE AUTHOR:

Founded in 1983, Jones Bartlett Learning (previously Jones and Bartlett Publishers) is a world-leading provider of instructional, assessment and learning-performance management solutions for the post-secondary, career and professional markets. We endeavor to develop educational programs and services that improve learning outcomes and enhance student achievement across a broad spectrum of academic, career and professional fields. Our products and services uniquely combine authoritative content from academia and industry thought-leaders with innovative, proven and engaging technology applications that enable anytime, anywhere learning revolutionizing how instructors teach, professionals train, and students learn.
