M12™ Heated Vest (Vest Only)

★★★★★ 5.0 (1) [Write a review](#)

Powered by M12™ REDLITHIUM™ Battery Technology, the Milwaukee® M12™ Heated Vest uses carbon fiber heating elements to create and distribute heat to the chest and back. Wind and water resistance combined with a thermal fleece lining provide protection from the elements and allow for three-season versatility. Reinforced with GridIron™ 900 Denier Ripstop Polyester to Outlast 12oz cotton duck work wear by 3X against abrasion and tear, the vest also features riveted, reinforced pockets and a tarnish resistant metal zipper to survive the jobsite.

INCLUDES:

(1) M12™ Heated Vest (Vest Only) (271-20)

(1) M12™ Battery Holder
