M18 FUEL™ 1/2" Hammer Drill w/ ONE-KEY™ Kit

Our M18 FUEL™ 1/2" Hammer Drill with ONE-KEY™ kit is the industry's most powerful hammer drill, delivering Up To 60% More Power, is Up To 1.5" Shorter Length and delivers Up To 2X Faster Speed Under Heavy Load. The POWERSTATE™ Brushless Motor produces 1,200 in-lbs of torque and 2,000 RPMs providing you with fast drilling through demanding applications. At 6.9" in length, this is the most compact hammer drill in its class, giving you better access in tight spaces. REDLINK PLUS™ Intelligence tool technology allows you to maximize performance while protecting the drill from overloads, heating, and over-discharge. Our included M18 REDLITHIUM™ XC5.0 Battery Packs deliver more work per charge and more work over the life of the packs than competitors. The best-in-class all-metal ratcheting chuck provides increased bit strength and corrosion resistance. With ONE-KEY™, you gain the ability to Customize, Track and Manage your tool. Anti-Kickback technology increases your control in bind-up situations and reduces unwanted shut-downs, with the added benefit of sensitivity control and ability to turn on and off based on application. If your tool is ever lost or stolen, its tracking functionality can lock it out to protect your investment.

INCLUDES:

- (1) M18 FUEL™ 1/2" Hammer Drill w/ ONE-KEY™ (2806-20)
- (2) M18™ REDLITHIUM™ XC5.0 Extended Capacity Battery Pack (48-11-1850)
- (1) M18™ & M12™ Multi-Voltage Charger (48-59-1812)
- (1) Belt Clip
- (1) Bit Holder

(1) Side Handle

- ✓ Up To 60% More Power: 1,200 in-lbs of torque
- ✓ REDLINK PLUS™ Intelligence: Ensures optimal performance and provides overload protection to prevent damage to the tool and battery during heavy applications while still maintaining compatibility across the entire M18 System.
