M18 FUEL™ SUPER HAWG™ Right Angle Drill w/ QUIK-LOK™

Our M18 FUEL™ SUPER HAWG® Right Angle Drill with QUIK-LOK™ delivers the next generation of ground-breaking performance with the power and speed to replace corded right angle drills. The cordless right angle drill is designed from the ground up to generate corded power, work as fast as the corded competition, and deliver you with up to 100 2-9/16" holes through 6" beams per battery charge on our M18™ REDLITHIUM™ HIGH OUTPUT™ 6.0AH battery. The MILWAUKEE® SUPER HAWG® features our POWERSTATE™ Brushless Motor, optimized REDLINK PLUS™ electronics, and is powered by our REDLITHIUM™ HIGH OUTPUT™ Batteries. The drill's all-metal QUIK-LOK™ chuck provides you with ultimate durability and long tool life. The QUIK-LOK™ chuck also allows you to easily insert and remove attachments with one hand. An all-metal side handle and LED light ensures you have optimal control and visibility while operating your tool. The M18 FUEL™ SUPER HAWG® delivers the performance and run-time to complete single-family home rough-ins or the ability to rough-in multiple multi-family units on a single charge.
