

The PowerPint is a mini multi-tool with that delivers full-sized utility. The Pint comes equipped with 18 tools and a magnetic hex bit holder. And of-course it features SOG's Compound Leverage that provides smooth open and close and increased gripping power. At only 5" long and a lightweight 4.2 ounces, the PowerPint is an all-around multi-tool that's great in your pocket, your pack, on the tool bench, or around the house.
