

PRODUCTS FOR THE PROS

NEW & EXISTING CONSTRUCTION

In addition to a wide variety of innovative electrical products and more than 200 active utility patents, Arlington manufactures special products for the digital technology market that are easy to install and use.

They look great. And your audio, video and electronic system installations will too.

Since 1949, Arlington has been the leader in the manufacture of non-metallic and metallic electrical products that save installers time and money, while delivering a good-looking installation. The products in this catalog are just a few of the over 1,400 line items we make. To learn more about our other electrical products, visit our website at www.aifittings.com.
