

M18 FUEL™ SUPER SAWZALL® Reciprocating Saw

The SUPER SAWZALL® Reciprocating Saw generates 15A corded power, faster cuts than 15A corded reciprocating saws and delivers up to 150 cuts in 2x12 SPF per charge. Designed to perform in the toughest applications, the M18 FUEL™ SUPER SAWZALL® combines Milwaukee's legendary performance and durability with the portability of the M18™ platform. The POWERSTATE™ Brushless Motor provides 3,000 SPM and higher speeds under load for corded cutting performance. REDLINK PLUS™ Intelligence ensures maximum performance and protection from overload, overheating and over discharge. The M18™ REDLITHIUM™ HIGH OUTPUT™ HD12.0 battery delivers unmatched run-time in all applications. The 1-1/4" stroke length removes more material with each stroke and On/Off orbital action provides aggressive cuts in wood and smooth cuts in metal. Variable speed trigger and 5-speed dial provide maximum speed control for any application. The QUIK-LOK® blade clamp allows for tool less blade changes and a rafter hook provides a convenient way to store the saw between cuts.

INCLUDES:

(1) M18 FUEL™ SUPER SAWZALL® Reciprocating Saw (2722-20)

- ✓ POWERSTATE™ Brushless Motor: Purposely built for the M18 FUEL™ SUPER SAWZALL® to provide the power and performance of a 15A corded reciprocating saw.
- ✓ REDLINK PLUS™ Intelligence: Ensures optimal performance and provides overload protection to prevent damage to the tool and battery during heavy applications while still maintaining compatibility across the entire M18™ System.
- ✓ REDLITHIUM™ HIGH OUTPUT™ HD12.0 Battery Pack: Provides 50% more power and runs 50% cooler versus standard REDLITHIUM™ HD packs. Superior pack construction provides the industry's best protection against jobsite conditions.
- ✓ 1-1/4" Stroke length removes more material with each stroke
- ✓ Variable speed trigger and 5-speed dial provide ultimate speed control
- ✓ Integrated rafter hook for easy storage between cuts
- ✓ LED light for increased accuracy and visibility
- ✓ Adjustable shoe extends the life of the blade
- ✓ QUIK-LOK® Blade Clamp for toolless blade changes
- ✓ Compatible with all M18™ Batteries

PRODUCT SPECIFICATIONS

Voltage	18V
Length	18.9"
Stroke Length	1-1/4"
SPM Strokes per minute	0-3000
Adjustable Shoe	Yes
Hang Hook	Yes

On Off Orbital	Yes
Speed Dial	5 speeds
Battery System	M18
Weight	8.8 lbs
Power Source	Cordless
