Specialty Galena

Stainless Steel-Single-Recessed Model 1448

- Mounting: Recessed
- Overall Size: 16" x 26"
- Wall Opening: 14" x 24" x 3"
- Beveled-edge mirror
- Stainless steel construction
- 3 adjustable glass shelves
- Reversible door for left and right hand opening
- Piano hinge

This easy-to-clean, corrosion-resistant single door cabinet features high luster, stainless steel construction and a bright satin finish. Combined with a 1/2" beveled-edge door mirror, the Stainless Steel Body provides a high-tech look at a modest price.

Contact your [local dealer](#) for pricing information on all NuTone products except range hoods.
