CERTIFICATE OF COMPLIANCE WITH BUY AMERICA

October 22, 2019

Platt Electric
3602 S. Cedar Street
Tacoma, WA 98409

To Whom It May Concern:

The following Power-Strut® channel and fittings are manufactured in the United States from steel that is melted and manufactured in the United States. They meet the requirements of the Buy America Act 49 U.S.C. 5323(j)(1) and the applicable regulations in 49 CFR 661:

PS200 EH 10 PGAL
PS RS 3/8 EG

PS500 EH 10 PGAL
PS607 EG

PS RS 1/4 EG

The following Power-Strut® conduit clamps are each comprised of two clamps and a fastener. The clamps are manufactured in Wayne, MI from steel that is melted and manufactured in the United States. The fasteners are globally sourced and are a minimal component of the finished product. The assembly takes place in Wayne, MI.

PS1100 AS 2 EG

This certification has been issued for only the products listed above for domestic compliance. Alterations to this document by any agency other than Atkore International voids the certification.

Please contact me with any questions regarding this certification.

Sincerely,

Ruth Ensing
