

L9506-100

Support Grip, 1.50-1.75"

Support, Single Eye Closed Mesh Cable Support Grip, 1.50-1.75", 304 Stainless Steel - Breakload is 1,700 LB

Representative image shown

UPC Code : 078477213438

Country Of Origin : India

- Leviton wire mesh grips are built tough to provide the strength, reliability, and gripping force required for today's demanding wire mesh applications
- Support grips distribute the weight of the vertical or sloping runs of electrical and fiber optic cable, metal rods, tubing or hose over the entire length of the grip so the cable is not damaged
- Use of support grips avoids stress on cable connections and provides needed support for vertically hung cables

Technical Information

Material Specifications

Mesh Material : 304 SS

Mechanical Specifications

Approx. Break Strength : 1700 lbs (770 kg)

Bale Length : 11.5 in (276 mm)

Cable Range : 1.50 - 1.75 in (38- 44 mm)

Duty : Standard

Eye Type : Single

Mesh Length : 16.5 in (420 mm)

Mesh Style : Closed

Standards and Certifications : UL

Weave : Single Weave

Workload Safety Factor (lbs) : 170 lbs (77 kg)

Product Features

Device Type : Support Grip

Warranty

Warranty : 1-Year Limited
