Indoor General Purpose

Cabinet Light

Linkable - Halogen

20W, 120V Halogen

FEATURES & SPECIFICATIONS

INTENDED USE

Provides task or accent illumination in residential and light commercial applications. Ideal for use under cabinets offering shadow-free lighting in kitchens and work areas, in bookcases, display cabinets or above cabinets setting a warm, inviting atmosphere in the kitchen.

ATTRIBUTES

Low profile design, with high/low/off rocker switch. Features fixture head that swivels to direct light where it is needed. Can be direct wired or powered by 5' cord-and-plug (Included). Connect multiple fixtures with 13" connector cord (Included).

Rugged post painted low profile steel housing, available in either white or bronze finish. White flat glass diffuser provides soft even illumination with slide in design for easy lamp access and cleaning.

Includes 20W, 2GT8 2-pin 120 volt Halogen lamp(s) for bright white illumination and long life.

Can be used with dimmable switches.

All mounting hardware included.

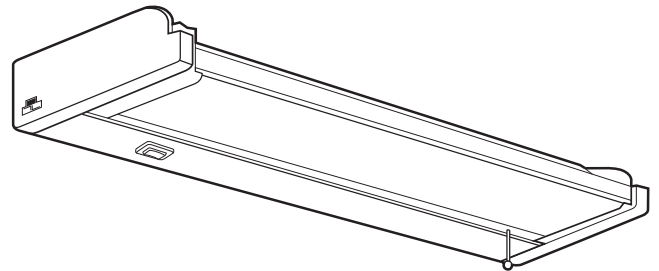

Available in resale packs of six only.

LISTING

CUL listed to US and Canadian safety standards.

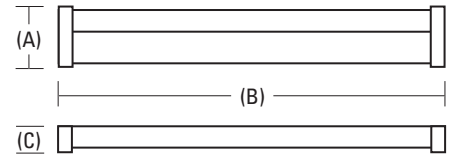

WARRANTY

Guaranteed for one year against mechanical defects in manufacture.
