

M18 FUEL™ SUPER HAWG™ Right Angle Drill w/ QUIK-LOK™ Kit

2711-22HD

PRODUCT DETAILS

FEATURES	SPECIFICATIONS	
 Milwaukee® POWERSTATE™ Brushless Motor provides more power, more run-time, and longer life.	Voltage	18V
	Battery Warranty	3 Year
 REDLINK PLUS™ Electronic Intelligence enables advanced communication between your batteries and tools, allowing for unmatched levels of performance, protection, and productivity.	Length	22"
	Weight	13.5 lbs
 The Milwaukee® REDLITHIUM™ Battery Pack is the most durable pack on the market delivering more run-time, power and longer battery life.	Chuck Type	QUIK-LOK™
	Speed	0-350 / 0-950 RPM
 QUIK-LOK™ Chuck: For keyless, one-handed bit changes. Accepts most 7/16" hex shank or 3-flats shank bits	Capacity in Wood	Up to 6"
	Tool Warranty	5 Years

OVERVIEW

The first tool of its kind, the M18 FUEL™ SUPER HAWG™ delivers the power and run-time necessary to complete cordless rough-ins. Optimized for Plumbing and HVAC professionals, this drill powers through 6" holes and can drill over (75) 2-9/16" holes per charge in 2x dimensional lumber with a self-feed bit. The QUIK-LOK™ chuck is designed for quick, keyless, one-handed bit changes and is compatible with 7/16" Hex shank or 3-flat shank bits.

The POWERSTATE® brushless

motor delivers constant power under heavy load to maintain drilling speed. REDLINK PLUS™ Intelligence is the most advanced electronic system on the market, preventing damage to the tool and battery caused by overloading or overheating. The REDLITHIUM™ batteries deliver up to 2.5X more run-time, 20% more power and 2X more life than standard 18 volt lithium-ion batteries. A mechanical clutch in low speed protects the tool from damage in the case that a bit binds up and the tool stalls.
