

# NI-FLEX NITRILE GLOVE

100% NITRILE DISPOSABLE 5 MIL, 9.5" INDUSTRIAL GRADE GLOVE

- + POWDER FREE
- + LATEX FREE
- + NON-STERILE
- + TEXTURED FINGERS
- + ROLLED CUFF

### DESCRIPTION:

LIFT Safety Ni-Flex Disposable glove features 100% industrial grade quality nitrile. The lightweight and comfortable Ni-Flex offers improved performance, protection and durability against day-to-day hazards for end-users in the industrial fields of automotive, manufacturing, janitorial, food processing and laboratory applications among others. The gloves have textured fingers and are designed to enhance both tactile and gripping power while providing the perfect solution for customers who require the barrier protection found in disposable nitrile. The Ni-Flex gloves are for industrial use only and are not for medical use. They are an economical alternative to a latex glove while providing greater grip and protection. These nitrile disposable gloves are 100% latex free and contain no allergy causing natural rubber proteins. The Black Ni-Flex is offered in 4 sizes, S-XL (Ambidextrous)

### FEATURES

- + Ideal for working with solvents, Nitrile is chemical resistant and helps dissipate electrostatic charges.
- + Powder free where contamination is a concern and contains no natural rubber proteins known to cause allergic reactions.
- + Compliant to FDA food handling requirements - Meets FDA 21 CFR 170-199 specifications.
- + Form fitting for superior comfort and dexterity with textured fingertips for greater tactile sensitivity and grip on slippery surfaces or applications along with excellent chemical resistance.
- + Suitable for applications where gloves are frequently replaced.
- + Black nitrile gloves are most commonly used by workers in automotive, electronic assembly, law enforcement, security environments, tattoo shops and beauty salons.
- + Black nitrile gloves allow instant hand protection without the visibility of blood, dirt and other contaminants.

### APPLICATIONS:

Industrial / Automotive / Manufacturing / Assembly / Research Laboratories / Law Enforcement / Correctional Facilities / Food Service and Processing / Janitorial, Sanitation and Maintenance / Paint Applications

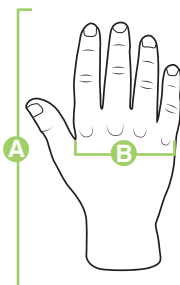

### TECHNICAL DATA

Material: Nitrile  
 Color: Black
