Platinum Tools' SealSmart Compression Connectors provide simple, fast and reliable terminations. The perfect solution for CATV, DSS, Security, Home Theater and Residential Structured wiring installations.

- Molded in gasket provides a weather tight seal at cable entry.
- Single crimp termination with captive center contact design.
- Universal crimp tool terminates all three SealSmart Connector designs.

APPLICATION

Use on RG59, RG6 and RG6 Quad shield cables. Connectors are color coded for cable type.
