

## Rechargeables - Recharge Plus

Reusable Power for High Drain Devices.

Provide long-lasting performance with Rayovac® Recharge Plus Rechargeables— they'll stay charged two to three times longer than standard NiMH rechargeables. AA Recharge Plus rechargeables provide excellent performance in digital cameras lasting up to 4x longer than alkaline batteries. That's less waste, more power... and more value.

PL715-4B GENB

### Recharge Plus Pre-Charged Low Self Discharge Batteries
