## MACV TOOL

HARDCASED BLACK

SM1001-CP

Whether you need to open a bottle, tighten a screw, pry a staple out, or touch up a blade on the go, the MacV Tool has what you need. Designed to resemble the original skull from the MACV-SOG group of which our company is named after, the MacV Tool is a versatile everyday carry, keychain tool that will prove handy in many situations with 12 components.
